

# Firebrand Thermal CDR/DVDR Print Template

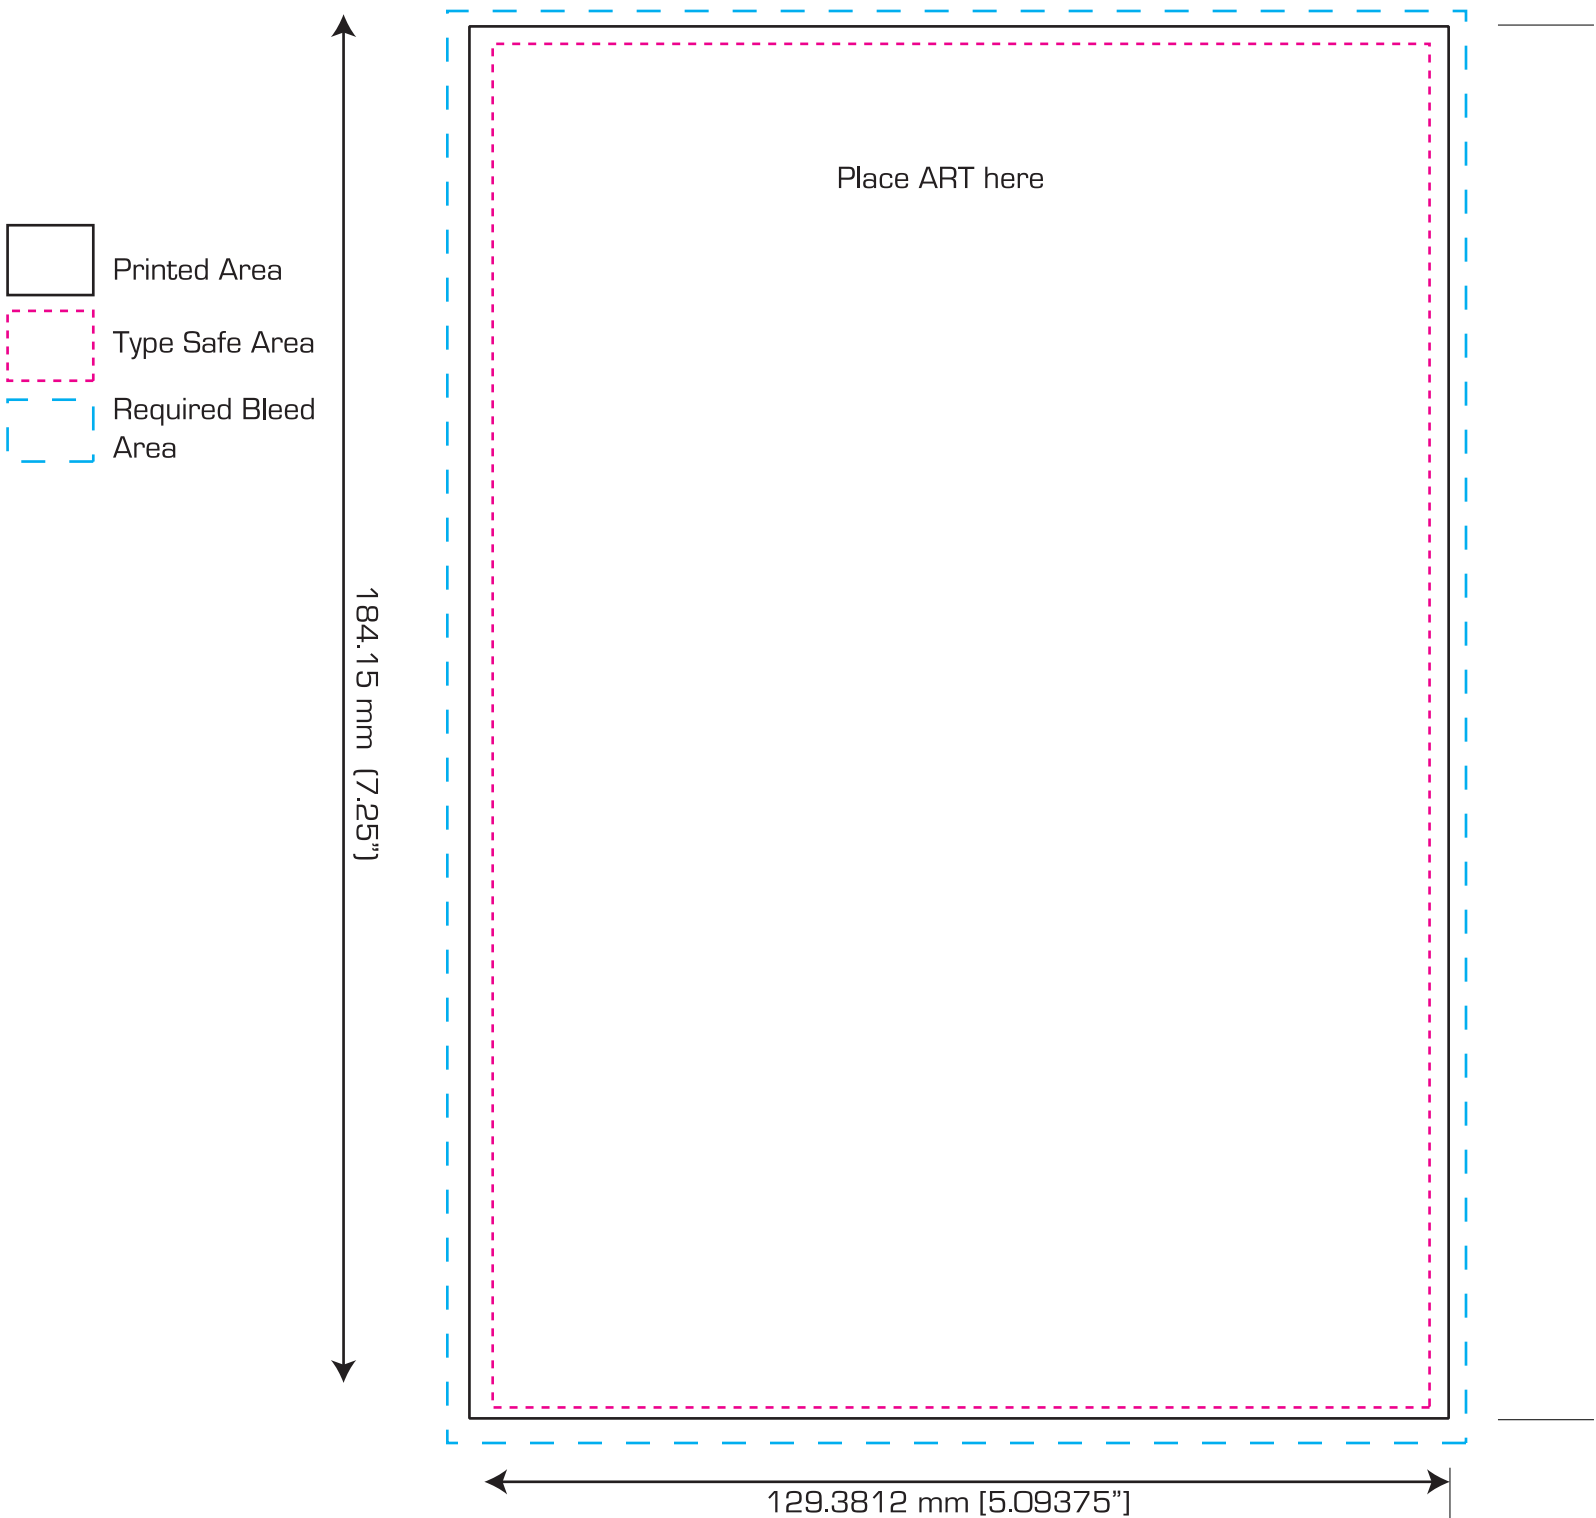

## Place your design in the ART layer.

Area within the solid black line will print.

Have your design bleed a minimum of 1/8 of an inch outside of the print area

Outline all of your fonts and keep within the type safety.

Embed all of your images.\*

**\*Art will be printed as submitted unless otherwise requested.**

**If any changes need to be made to your art so that it prints properly  
a 25\$/h design charge will be applied to your order.**

**If you would like us to colour match your art please include a printed sample  
of your artwork for reference.**
