

## Firebrand CD Digipak Gold Template

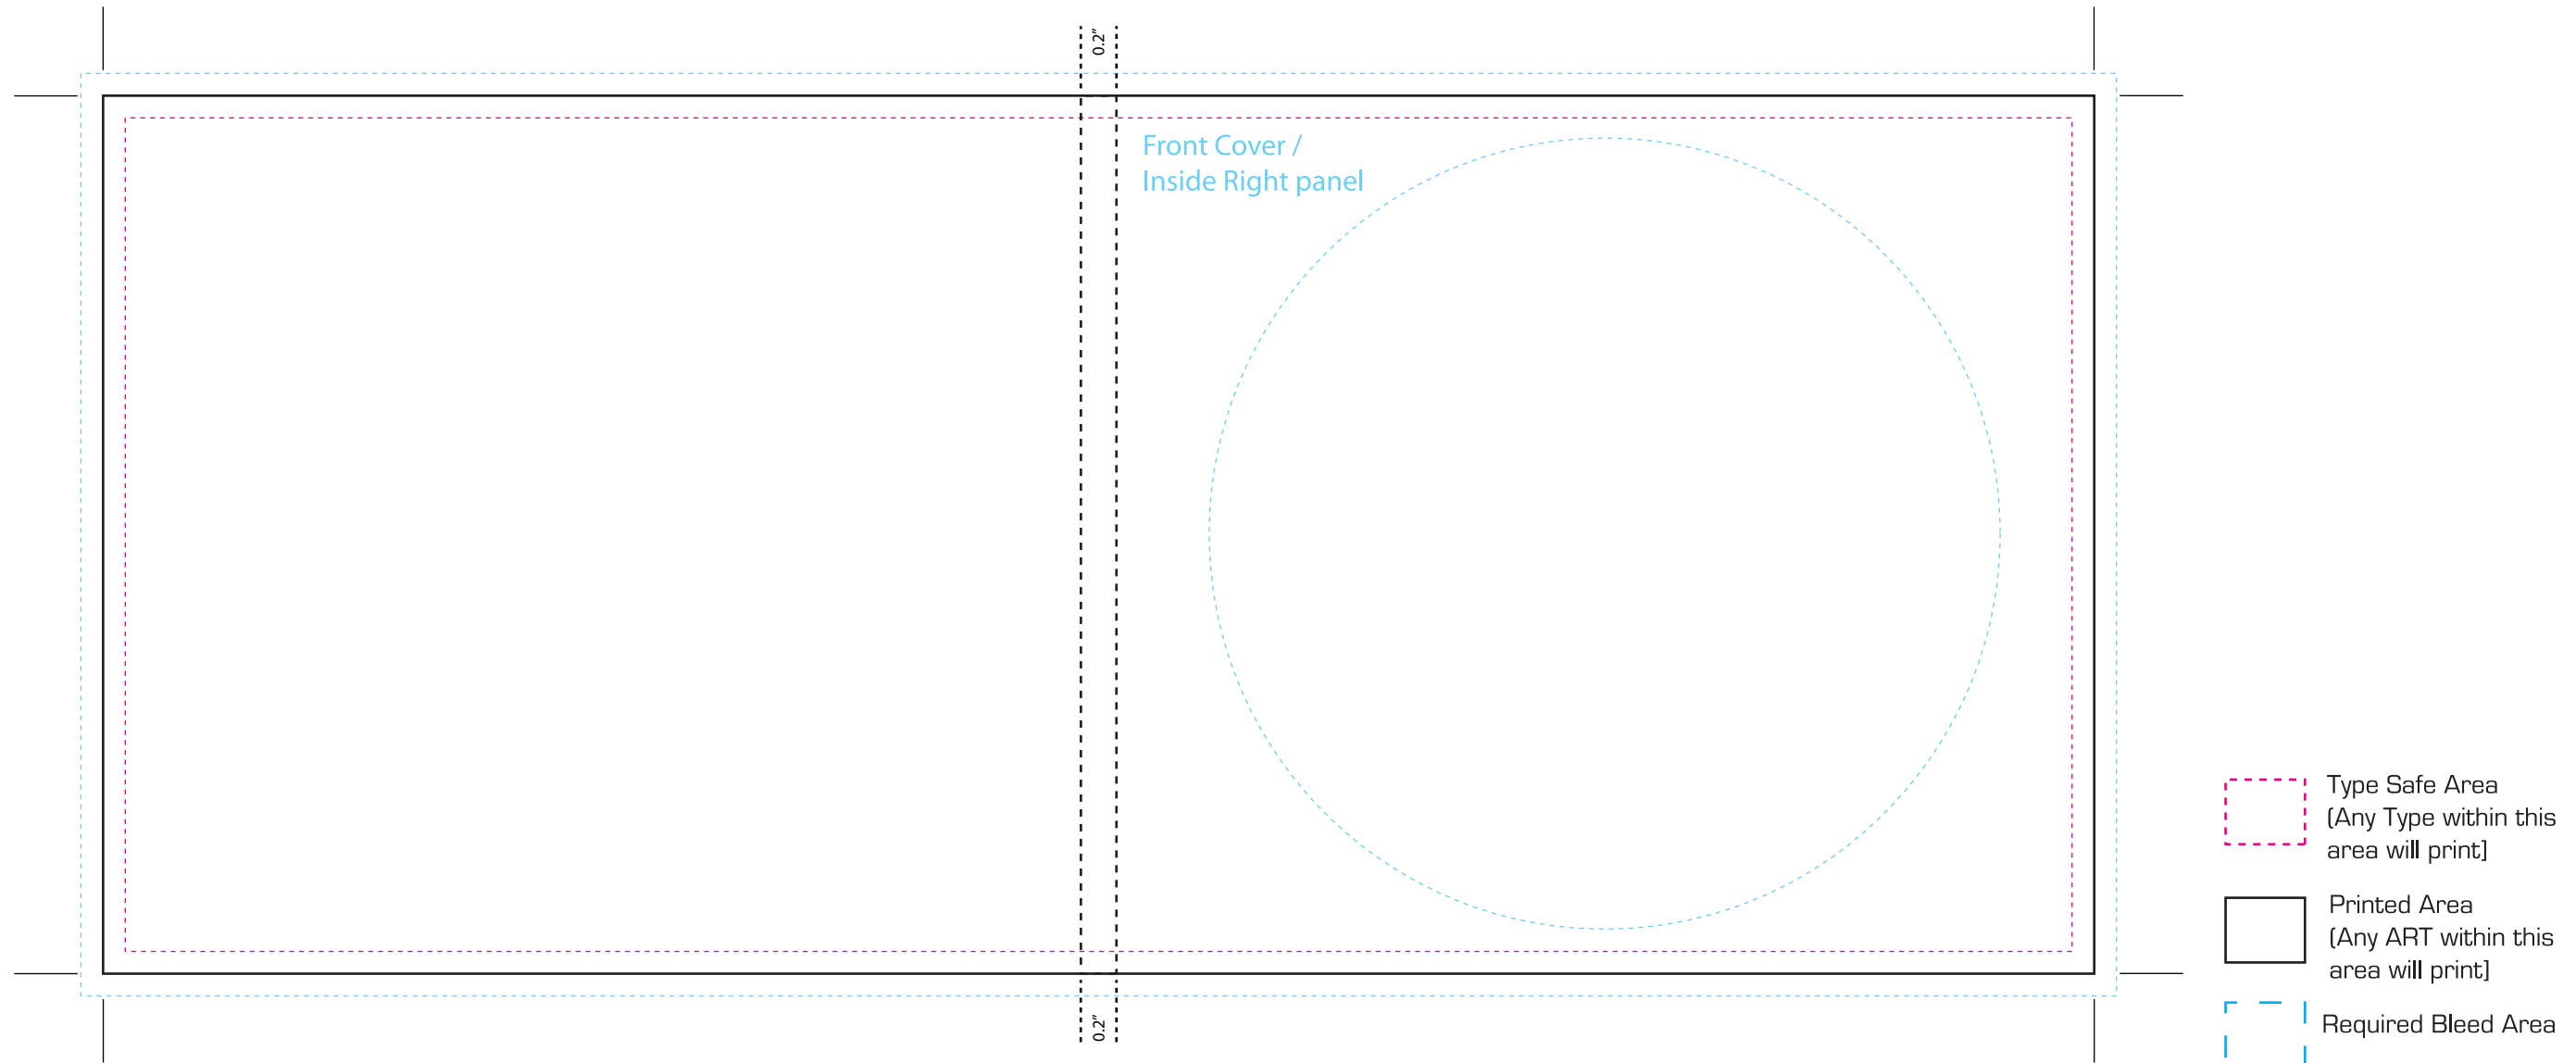

**Place your design in the ART layer.**

Area within the black square will print.

Have your design bleed a minimum of 1/8 of an inch outside the printed area.

Outline all of your fonts and keep within type safety area

Embed all of your images.\*

Remember this template can be used for doing the front panel and the inside panel. Just remove inside circle when designing the front.

**\*Art will be printed as submitted unless otherwise requested.  
If any changes need to be made to your art so that it prints properly  
a 25\$/h design charge will be applied to your order.  
If you would like us to colour match your art please include a printed sample  
of your artwork for reference.**
